Dentist

Dr. Kelly Mack D.D.S.

2200 Horseshoe Lane

Dear Dr. Kelly Mack,

As I was wondering what I wanted to be when I grew up I told myself I wanted a classic job like: a Fireman ,or Police Officer but didn't want either of those jobs then I remembered how much you helped me to like my teeth and take care of them. Now at my age, I wish to help other people by keeping their teeth clean, and if I got this job I would be a powerful asset to your office and help you make more money.

Keeping my teeth clean is something I've always done my entire life and I wanted to help other people and I love keeping my Teeth clean so I figured i could join your office. Since I was a teen I always went to your office because you gave an awesome family deal that kept our teeth clean for years. The kind job experience I've dealt with is kind of like outside work, welding, mowing , wood chopping etc. and just so you know I am very hardworking, talented, because in High School I played an instrument called a euphonium, and I was also in the FFA organization and I also I learned how to weld there so I know how to be careful and be aware of my surroundings In a workplace.

As an adult I would like to sit with you talk about this situation, because I feel like I could be a very abundant asset to Dr. Kelly Mack D.D.S. My memories of being with your dental care has led me to discover more about people that I never knew and If you will accept me in to this job, it can lead me to meet new people just let me know he you're ready to talk . My cell number Is 903-576-0173.

Thanks for your Consideration, Kindness ,and Urgency that this job is to me Dr. Kelly Mack

Sincerely,

*Tucker Jones*
